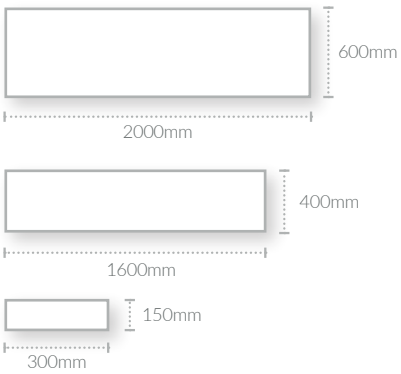
TONALITY®

Terracotta tiles

Tonality terracotta tiles are single skin only, with low dead weight of only 28-35kg per m². Produced using the Keralis sinter kiln firing process, they offer a wide range of colours & textures.

Tonality is available in lamella, baguette and brise soleil shapes. They use 100% Westerwald clay which is the highest quality on the market and offer all round durability (service life in excess of 35 years as per the BBA).

Sizes



Thickness:	22mm or 26mm
Weight:	22mm = 30kg per m² & 26mm = 35kg per m2
Joints:	2mm to 8mm (standard)

Formed tiles

Tonality is available in a wide range of colours & textures, including lamella, baguette and brise soleil shapes with special surfaces and textures available upon request. Pura Facades® exclusively supply and fabricate Tonality tiles. Contact Pura Facades® for more information.
